WHO WE ARE

Boot Camp Northwest, Inc. (BCNW) is a ministry formed by men who experienced deep, restorative healing in their lives after attending a "Wild at Heart" conference in Colorado. The conference was sponsored by Ransomed Heart Ministries and led by "Wild at Heart" author John Eldredge and the Ransomed Heart ministry team.

These men returned to the Northwest awakened to the need to help other men understand who they truly are in Christ and what it means to be a masculine Christ-follower.

After sponsoring a conference based on "Wild at Heart" near Portland, Oregon in July 2004, these men formed Boot Camp Northwest (a tax-exempt, non-profit organization) as a ministry to men. BCNW is neither affiliated with nor sponsored by Ransomed Heart Ministries.

HEART

*and presented by

WHAT IS ADVANCED?

This retreat is structured to lead men DEEPER into the spiritual battle to recover their masculine heart, rescue others and live a life of adventure through a more intimate relationship with Jesus Christ. Men take part in multimedia and interactive sessions centered on the Bible and the biblically based concepts from the books "Wild at Heart," "Waking the Dead" and "The Way of the Wild Heart" by John Eldredge.

Recreational activities at the Drift Creek Camp include fishing, hiking, basketball, volleyball, horseshoes (some weather dependent). Most importantly, multiple times are scheduled for men to have intimate conversations with God to hear His voice, receive His healing and understand their calling in Christ. The men leading the teaching sessions have attended numerous events led by "Wild at Heart" author John Eldredge and the Ransomed Heart ministry team; however, Boot Camp Northwest is neither affiliated with nor sponsored by *Ransomed Heart Ministries*.
